Asiya Sabiu Sulaiman

Frontend Developer Intern-Flexisaf

09134368695 | asiyanaphader@gmail.com| GitHub: asiyasabiu25 | LinkedIn: asiya-sabiu

Objective

Aspiring Frontend Developer passionate about building clean, responsive, and user-friendly web interfaces. Currently developing personal projects focused on education technology and school information systems. Eager to contribute to impactful EdTech solutions at FlexiSAF Edusoft while growing within a collaborative, learning-driven environment.

Project and Experience

Asiya Dev Portfolio | *HTML, CSS, JavaScript*
Developed a personal portfolio website showcasing frontend projects with a focus on education technology and UI/UX design.

Digital Literacy for All: *National Hackathon ChallengePack*

Participated in a 1-month national hackathon for Corps Members in the Digital Literacy for All CDS group.

Collaborated virtually and in- person with other Corps Members, building problem-solving and remote teamwork skills.

Attendee — *Hausa Tech Ignite (2025)*

Participated in the Hausa Tech Ignite tech event aimed at empowering northern youth with digital skills and innovation opportunities.

Connected with local tech talents and explored real-world applications of web technologies in education and social development.
